

Replaceable AIR^ogel[®] cushion mask
Featuring Custom Fit Technology

iQ[®]2

Your mask, your fit

Introducing the iQ[®]2, a lightweight moldable mask that can accommodate most facial structures. Sleepnet's patented Custom Fit Technology allows for night to night variation.

Flex, Fit, Forget!

45° Venting System

Quiet venting system allows for an uninterrupted quality nights sleep.

Custom Fit Technology

Patented technology allows each user the ability to accommodate for various facial structure, changes in weight and facial asymmetry.

AIR^ogel[®]

Maximum comfort and minimal headgear tension. AIR^ogel[®] minimizes pressure points and skin irritation.

360° Rotating Swivel

Less tube drag for active sleepers.

Magnetic Clips

Easy on and off!

Replaceable Cushion

Cushions may be removed and replaced without purchasing a new mask.

Made in the USA of US and globally sourced components | Our products are backed by Sleepnet's warranty against manufacturing defects

What makes our iQ[®]2 mask different?

Custom Fit Technology - Patented technology allows each user the ability to accommodate for various facial structure, changes in weight and facial asymmetry.

AIR[®]gel Cushion Technology - Maximum comfort and minimal headgear tension. AIR[®]gel[®] minimizes pressure points and skin irritation.

360° swivel - Less tube drag for active sleepers.

One size cushion - Larger fitting range.

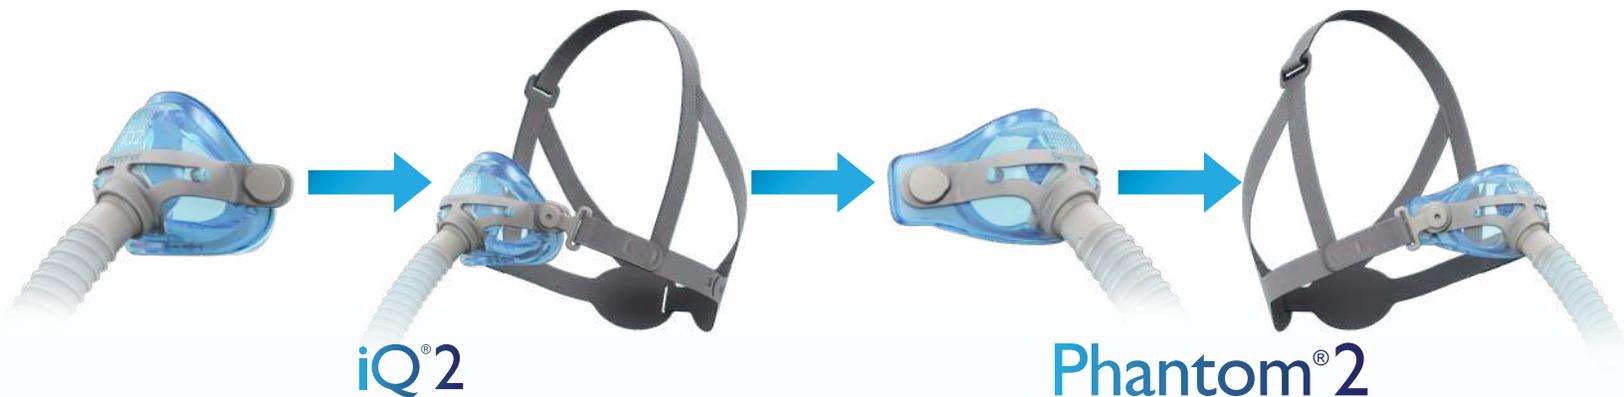

Replaceable cushions

Cushions may be removed and replaced without purchasing a new mask.

The iQ[®]2 frame and headgear are interchangeable with the Phantom[®]2

Need to change mask styles? The iQ[®]2 and Phantom[®]2 cushions are interchangeable while using the same mask frame and headgear.
